Place an "X" in the box representing the event(s) each shooter wishes to be squaddled for. If you wish to squad for all events, you may write the word "ALL" on the line for each applicable shooter.

- Applications that do not have each shooter's information completely and properly filled out will be rejected.
- Do Not Forget to include each shooters yardage.

A second form is required if your shooters wish to shoot a different post for handicap or doubles or if you will have different shooters shooting any posts for subsequent events.

**Please Note:** Please include special instructions at the bottom of the form. (i.e., if pre-squadding less than full squads—optional posts, full squads with different yardage—optional posts, etc).

In an effort to avoid unused positions, it is imperative that you cashier or release pre-squaddled positions prior to the event. **Pre-Squaddled positions that are not cashiered or released prior to the event may be released by management.**
