## **GREETINGS FROM YOUR PSSA EXECUTIVE COMMITTEE**

Well, another season is underway here at the PSSA Grounds in Elysburg, PA.

Your Executive Committee, Advisory Committees, and staff have been busy working on the projects that we left you all with last fall. Here are a few highlights of some of the projects:

### **Project '24**

Project '24 has been going exceptionally well. We've raised over \$30k, but still have a long way to go. Thank you to ALL the generous donors! So far, enough money has been raised to purchase the steel springs for all the Pat Traps, begin working on the new gun racks and also replace, as needed, the Canterbury Voice Call systems with BRB speakers, wires, and boxes. We could not have done this without your help. Thank you!!

### **Website**

Thanks to the generosity of Mike Winigrad, the website has been revamped to allow a more user-friendly experience and provide updated information on the happenings at the PSSA and trapshooting in the state. Carolyn Sukel has been working on installing content and will continue to update the website. Updating and revamping of the website is an ongoing process. Keep a look out for changes.

### **5-Stand and Helice**

The EC has contracted with Ott Mountain Trap Rentals to have (2) 5 stand courses on Friday and Saturday of all PSSA shoots this year as well as during the Krieghoff Challenge. Tell your friends who might not shoot ATA but want to try a fun shooting sport to come out. Prizes will be awarded during all events.

Talks are underway to get a day or two of Helice shooting at one (or more) of our regular shoots this year. Keep checking the website for updates.

### **Krieghoff Challenge**

This year marks the 20<sup>th</sup> anniversary of the Krieghoff Challenge thanks to the generosity of Dieter and Betty Krieghoff and Krieghoff International donating a K-80 Combo for the Challenge. In recognition of this milestone, plans are in place to make this an extra-special, not-to-miss event. Many aspects of the days special events are still in process, but we can say that a one-of-a-kind, specially engraved Krieghoff K-80 will be the coveted prize of the Krieghoff Challenge this year. Special awards and prizes are in the works as well as demo guns being available at the practice traps and the 5 Stand on Friday during the Krieghoff Handicap.

### **ATA HOF**

This year the ATA will be inducting past PSSA president, Ken Darroch into the Hall of Fame in recognition of his career shooting achievements. Congratulations to Ken!

### **EZ-Go & Gun Raffle**

EZ-Go has generously provided a golf cart again this year for raffle. Tickets will be available for purchase and also as an option for all events during the PA State Shoot.

This year's annual fundraiser will be a gun ticket featuring 20 different firearms. Tickets are available through any EC member, at the help desk during the events.

### **Midway Foundation**

Sherry Anderson is working with the Midway Foundation to get grants to help with the AIM and SCTP shooters in our state. She has also applied for a grant for coaches.

### **Super Clinic**

The PSSA is hosting a "Super Clinic" prior to the PA State Shoot this year on June 5 and 6. The clinic is being put on by Nora Martin Ross, her husband Randy and Mitchell Loveless. Contact Brian James for more info.

### **Grounds**

Andy and Stu are working hard on keeping the grounds in tip-top shape. If you like what you see, please let them know! If not, please let an EC member know and what you don't like or think needs improvement.

### **Future.....**

The future of the PSSA is up to all of us. Not just the EC and AC. We need your ideas and guidance also. We have a lot of targets in the air and not all will be successfully shot. Some will get away from us. But it is more important to try then not try at all. Only through trying different ideas will we be able to be successful and move into the future.

### **CASHIERING BEFORE SHOOTING**

**Shooters must be cashiered before shooting an event and will be disqualified for that event if this procedure is not followed. PAY first – then SHOOT.**

## **CLASSIFICATION**

Classification will open along with the office each day, and close ½ hour after the last event of the day starts.

The Classification staff will insist on having your latest ATA average card or print-out average card from the Shooter Information Center of the ATA website. Please make sure your card is up to date showing assigned handicap, current singles/doubles averages and all targets registered in the current and previous target years. Cell phones and other electronic devices will not be accepted. Current average cards can be obtained at: [www.shootata.com](http://www.shootata.com)

**Click on “My ATA”; Login with your ATA number and password; click on “Print Average Card”**

Erroneous cards submitted to the committee will result in disqualification from the respective shoot and forfeiture of all trophies and/or monies won. Any shooter who deliberately submits an erroneous card will be reported to the ATA for disciplinary action.

Known Ability will be used by the Classification Committee to assign shooters to a higher class than their average indicates if so warranted. Registered and non-registered shoots will be used by the committee as a basis for determining “known ability.” Abnormally low scores will be disregarded at the discretion of the Committee

## **CLASS – YARDAGE ADVANCEMENT**

Any shooter who has the high score in their class, shall be increased a minimum of one Class. Shooters earning yardage must have their card punched before participating in their next Handicap event.

- **No class advancements for the State Shoot Preliminary Days (June 10-11). Subject to review by Classification Committee.**
- **The ATA 6 Class System will be used for all Singles/Double events during the Colonial Classic and State Shoot and the ATA 5 Class System for all other shoots.**

## **YARDAGE REDUCTION**

Handicap yardage reductions received by a shooter during the course of a shoot shall be honored. The shooter must have the new card in their possession and present it to the classification committee for reclassification to their new yardage.

## **TARGET REQUIREMENTS**

**For the Keystone Open:**

### **16 Yards and Handicap:**

A minimum of 1,500 registered targets during the current and previous two target years, to avoid penalty class.

### **Doubles:**

A minimum of 1,000 registered targets during the current and previous two target years, to avoid penalty class.

## **TARGET REQUIREMENTS (Continued)**

**For ALL other 2024 PSSA shoots:**

### **16 Yards and Handicap:**

A minimum of 1,500 registered targets within the current and previous two target years with 500 targets having been shot during the current target year, to avoid penalty class.

### **Doubles:**

A minimum of 1,000 registered targets during the current and previous two target years with 300 targets having been shot during the current target year, to avoid penalty class.

## **TARGET REQUIREMENTS – PENALTIES**

In the event the above target requirements are not met before the first day of each shoot, shooters will be required to shoot in, not less than Class A for 16 Yards and Doubles.

In Handicap, a shooter with insufficient targets will be penalized two yards beyond their ATA yardage with a minimum of 23 Yards and a maximum of 25 Yards.

- Ladies and Sub-Juniors who do not meet the Handicap target requirements will follow the same rules except with a minimum of 22 yards.
- Shooters who have reached their 70<sup>th</sup> birthday and declare Senior Vet or Lady II category will not be penalized for handicap events and are still eligible for trophies and money.

**PENALTY YARDAGE MAY BE WAIVED BY ANY SHOOTER SO ELECTING; HOWEVER, SUCH WAIVER SHALL PROHIBIT THEM FROM WINNING ANY TROPHIES AND/OR MONEY (including Added Money) AND PROHIBIT THEIR PARTICIPATION IN SPECIAL OPTIONS, PROMOTIONS, AND THE KREIGHOFF CHALLENGE.**

THIS DECLARATION MUST BE MADE AT THE TIME OF INITIAL CLASSIFICATION AND IS IRREVOCABLE FOR THE DURATION OF THE SHOOT (SHOOTERS WHO SHOOT DURING PRELIMINARY DAYS AND MEET TARGET REQUIREMENTS IN THE TIMELINE STATED MAY RE-CLASSIFY.)

### **CLOSING TIME**

**CLOSING TIME FOR EVENTS WILL BE STRICTLY OBSERVED. YOU MUST BE CASHIERED BY CLOSING TIME – NOT MERELY HOLDING A POSITION! SUBJECT TO CHANGE BASED ON WEATHER AND/OR ATTENDANCE.**

### **DISCIPLINARY ACTION, DISQUALIFICATION & REINSTATEMENT**

If a shooter does not abide by the Rules of the ATA, a shooter may be disqualified for an event or for a whole tournament at any time by Shoot Management or the Executive Committee. All shooters are urged to become familiar with the ATA's regulations. This policy is explained in **Section XII. Par. B of the ATA Rule Book.**

### **GOLF CARTS**

Golf Carts, ATV's and similar vehicles may not be used on the premises until registered with the PSSA. A registration sticker will be issued upon proof of insurance and payment of a \$20.00 fee. Sticker is valid for all shoots as long as insurance remains in effect. They can be obtained during any PSSA event at the Courtesy Desk.

**UNLICENSED DRIVERS ARE NOT PERMITTED TO OPERATE MOTORBIKES  
OR ANY OTHER MOTOR VEHICLE ON PSSA PREMISES.**

### **GRAND AMERICAN PARTICIPATION FOR CHAMPIONS**

The PA Singles Champion and all Resident Category Champions will receive an additional \$150 if they compete in the Champion of Champions Event at the 2024 Grand American.

The five highest scoring resident shooters in the PA State Singles Championship attending the Grand American and competing in the Clay Target Championship will comprise the PA State Team and compete in the State Team Race in conjunction with that event. The participating team members will each receive \$50 from the PSSA. In the event of ties, the team members shall be selected by the PA ATA Delegate from those eligible shooters who are tied. The selection shall be based primarily upon consideration of the shooter's prior record in tournaments as well as the shooter's average for this year and last year.

Entries must be returned to the ATA by your State Delegate no later than 9:00 a.m. on Wednesday of Grand American Week. Please let your delegate know your squad and position prior to 4:00 p.m. on Tuesday of Grand American Week.

### **HALL OF FAME INDUCTIONS/TRAPSHOOTER OF THE YEAR/ STATE TEAM**

Induction of Hall of Fame honorees, as well as Trapshooter of the Year recognition and the presentation of pins to the members of the PSSA State Teams will be held on Championship Saturday, immediately following Event 20.

Any PA resident who is a member of the ATA may submit nominations for the Hall of Fame or Trapshooter of the Year to the PSSA Hall of Fame Board. Submissions must be made by November 15 following the target year end, to:

Pam Darroch, President, PSSA Hall of Fame  
2107 Forge Drive  
Aliquippa, PA 15001  
Email: darroch2107@comcast.net

Hall of Fame inductees may be selected for their ability in the sport of trapshooting and/or their contribution to the sport.

Nomination qualifications for both are available on the PSSA website or by contacting our Historian, Bob Koeffler.

### **MISSED SQUADS – EVENTS**

Individual shooters will not be paged during any event. Shoot management will keep the electronic ready board sufficiently ahead to give all shooters ample time to be at their assigned starting traps. Line personnel will be instructed to start each squad immediately upon the completion of the prior squad, without waiting for any individual shooter. Any shooter who is late for a sub-event will have to make it up at the practice trap, or where designated by shoot management.

**If a shooter missed a sub-event, he or she should make every effort to complete the remaining sub-events with the squad and then REPORT TO THE PRACTICE TRAPS for instructions to make up the missed sub-event. DO NOT TAKE THE SCORESHEET TO THE PRACTICE TRAP. SHOOTERS MISSING MORE THAN FIFTY TARGETS MUST BE RE-SQUADED AND WILL INCUR A \$10.00 PENALTY.**

PSSA will deduct \$14.00 off all target prices for juniors and sub-juniors who choose to forfeit the right to play options. - SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

Shoot management will make every attempt to provide sufficient banks and flights to meet the needs of the anticipated number of shooters. Shoot management may limit the number of squads/flights for each event as conditions may warrant.

Squads for all events are available on a first come – first served basis.

In order to keep the shoots running in an efficient manner, new flights will not be added until the flights currently opened are sufficiently filled.

Please pull only the squad tickets you anticipate filling and relinquish unwanted positions as early as possible so that we have an opportunity to re-issue those positions.
