2025 ATA REBATE \$21,089

GREETINGS FROM YOUR PSSA EXECUTIVE COMMITTEE

Welcome to the beginning of PSSA's extended 2025 season. That's right, extended. In case you were unaware, we moved the Westy Hogans to the 3rd week in September. In all honesty, we're trying it. The Westy staying there will depend on how much participation we can get with scorers and loaders. All of us know the challenges facing all clubs with help. If you are interested in helping during the Westy's, or any other shoot, please let us know. Information for sign-ups will be available in the State House or contact Steve Ross directly. The PSSA Summer Championships will be the weekend after the Grand in Sparta.

Your Executive Committee, Advisory Committees, and staff have been busy working on the projects that we left you all with last fall. Here are some highlights of some of the projects:

PA State Skeet Association

We were contacted by the State Skeet Association a couple of months ago. We are currently in serious discussions with them on bringing their State Shoot to our grounds for 2026. Please stay tuned for updates.

Kriehoff Gunsmith Room

Last June, Kriehoff asked about having a permanent room to provide gunsmith services at the State Shoot. We found them a spot next to Classification. The room is roughed in and will be finished by the Keystone Open. Thanks to the generosity of Jim Hoffman, Zach Eshbach, Lou Liberato, and Don Shaeffer Jr, the room is close to being paid for, but more funds are still needed. If you would wish to donate to this project, please contact an EC member or Steve Ross for more information.

Project '24

This fundraising project is closed out. Thank you to everyone who participated in helping us raise the funds to install metal springs in all the traps, purchase 32 sets of BRB Voice calls, and begin working on new gunracks.

AIM/ SCTP/ USA Clay Target League

We have been talking with these organizations to bring all of their state Championships to PSSA beginning in 2026.....Trap, Skeet, Sporting Clays and 5-Stand. We'll keep you posted as things progress.

5-Stand

Rick Ott of Ott Mountain Rentals has agreed to run 5-stand sporting clays Friday and Saturday at the Keystone Open and State Shoot as well as the weekend of the Colonial Classic. If there is enough participation, he will continue with other shoots. If you haven't tried it, please do. It's a lot of fun!!

EZ-Go & Annual Fundraiser

EZ-Go has generously provided a golf cart again this year for our State Shoot raffle. Tickets will be available for purchase and also as an option for all events during our shoots up to the drawing on June 14.

This year's annual fundraiser will be a Money ticket. Tickets are available through any EC member, Steve Miller, or Steve Ross. They will also be available as an option during all shoots up to the drawing on _____. Anyone interested in trying to sell tickets, please contact one of us and we will get them to you.

2K Monday

On Monday of the State shoot, thanks to the generosity of Stu Printz, a shoot-off for \$2,000 will take place for those shooting both handicap events of the day, similar to the Krieghoff Challenge shoot-off. Look further into the program for more details.

Shamrock Sporting Arms 100

Jonathan Hannahoe from Shamrock Sporting Arms and Scott Grossman from Grossman Shooting Products are giving away 20 Flats of new shells for EVERY, that's right, EVERY 100 straight in handicap at all 2025 PSSA Shoots. More details are later in the program.

Camping Repair & Maintenance

We realize this is a hot button issue for all of us and we are working diligently to fix the issues. Our biggest obstacle is funds. The current fundraisers and raffles do not bring in the kind of dollars needed to fix the lower campground electrical issues, which are basically pipes and wires. The infrastructure is not adequate to handle today's campers, motorhomes and 5th wheels. We realize this is a Catch 22. We increase prices to help offset other rising costs, but we also need to fill our coffers to be able to take on large Capital Improvements like this.

Future.....

The PSSA is in the business of throwing targets. Any, and all types. And we are tirelessly working on different ways to accomplish this goal. But it is going to take time. So, please bear with us through these challenging times. We will get there.

The future of the PSSA is up to all of us. Not just the EC and AC. We need your ideas and guidance also. We have a lot of targets in the air and not all will be successfully shot. Some will get away from us. But it is more important to try then not try at all. Only through trying different ideas will we be able to be successful and move into the future.

CASHIERING BEFORE SHOOTING

Shooters must be cashiered before shooting an event and will be disqualified for that event if this procedure is not followed. PAY first – then SHOOT.

CLASSIFICATION

Classification will open along with the office each day, and close ½ hour after the last event of the day starts.

The Classification staff will insist on having your latest ATA average card or print-out average card from the Shooter Information Center of the ATA website. Please make sure your card is up to date showing assigned handicap, current singles/doubles averages and all targets registered in the current and previous target years. Cell phones and other electronic devices will not be accepted. Current average cards can be obtained at: www.shootata.com

Click on “My ATA”; Login with your ATA number and password; click on “Print Average Card”

Erroneous cards submitted to the committee will result in disqualification from the respective shoot and forfeiture of all trophies and/or monies won. Any shooter who deliberately submits an erroneous card will be reported to the ATA for disciplinary action.

Known Ability will be used by the Classification Committee to assign shooters to a higher class than their average indicates if so warranted. Registered and non-registered shoots will be used by the committee as a basis for determining “known ability.” Abnormally low scores will be disregarded at the discretion of the Committee

CLASS – YARDAGE ADVANCEMENT

Any shooter who has the high score in their class, shall be increased a minimum of one Class. Shooters earning yardage must have their card punched before participating in their next Handicap event.

- **No class advancements for the State Shoot Preliminary Days (June 9-10). Subject to review by Classification Committee.**
- **The ATA 6 Class System will be used for all Singles/Double events during the Colonial Classic and State Shoot and the ATA 5 Class System for all other shoots.**

YARDAGE REDUCTION

Handicap yardage reductions received by a shooter during the course of a shoot shall be honored. The shooter must have the new card in their possession and present it to the classification committee for reclassification to their new yardage.

TARGET REQUIREMENTS

For the Keystone Open:

16 Yards and Handicap:

A minimum of 1,500 registered targets during the current and previous two target years, to avoid penalty class.

Doubles:

A minimum of 1,000 registered targets during the current and previous two target years, to avoid penalty class.

TARGET REQUIREMENTS (Continued)

For ALL other 2025 PSSA shoots:

16 Yards and Handicap:

A minimum of 1,500 registered targets within the current and previous two target years with 500 targets having been shot during the current target year, to avoid penalty class.

Doubles:

A minimum of 1,000 registered targets during the current and previous two target years with 300 targets having been shot during the current target year, to avoid penalty class.

TARGET REQUIREMENTS – PENALTIES

In the event the above target requirements are not met before the first day of each shoot, shooters will be required to shoot in, not less than Class A for 16 Yards and Doubles.

In Handicap, a shooter with insufficient targets will be penalized two yards beyond their ATA yardage with a minimum of 23 Yards and a maximum of 25 Yards.

- Ladies and Sub-Juniors who do not meet the Handicap target requirements will follow the same rules except with a minimum of 22 yards.
- Shooters who have reached their 70th birthday and declare Senior Vet or Lady II category will not be penalized for handicap events and are still eligible for trophies and money.

PENALTY YARDAGE MAY BE WAIVED BY ANY SHOOTER SO ELECTING; HOWEVER, SUCH WAIVER SHALL PROHIBIT THEM FROM WINNING ANY TROPHIES AND/OR MONEY (including Added Money) AND PROHIBIT THEIR PARTICIPATION IN SPECIAL OPTIONS, PROMOTIONS, AND THE KREIGHOFF CHALLENGE.

THIS DECLARATION MUST BE MADE AT THE TIME OF INITIAL CLASSIFICATION AND IS IRREVOCABLE FOR THE DURATION OF THE SHOOT (SHOOTERS WHO SHOOT DURING PRELIMINARY DAYS AND MEET TARGET REQUIREMENTS IN THE TIMELINE STATED MAY RE-CLASSIFY.)

CLOSING TIME

CLOSING TIME FOR EVENTS WILL BE STRICTLY OBSERVED. YOU MUST BE CASHIERED BY CLOSING TIME – NOT MERELY HOLDING A POSITION! SUBJECT TO CHANGE BASED ON WEATHER AND/OR ATTENDANCE.

DISCIPLINARY ACTION, DISQUALIFICATION & REINSTATEMENT

If a shooter does not abide by the Rules of the ATA, a shooter may be disqualified for an event or for a whole tournament at any time by Shoot Management or the Executive Committee. All shooters are urged to become familiar with the ATA's regulations. This policy is explained in **Section XII. Par. B of the ATA Rule Book.**

GOLF CARTS

Golf Carts, ATV's and similar vehicles may not be used on the premises until registered with the PSSA. A registration sticker will be issued upon proof of insurance and payment of a \$20.00 fee. Sticker is valid for all shoots as long as insurance remains in effect. They can be obtained during any PSSA event at the Courtesy Desk.

**UNLICENSED DRIVERS ARE NOT PERMITTED TO OPERATE MOTORBIKES
OR ANY OTHER MOTOR VEHICLE ON PSSA PREMISES.**

GRAND AMERICAN PARTICIPATION FOR CHAMPIONS

The PA Singles Champion and all Resident Category Champions will receive an additional \$150 if they compete in the Champion of Champions Event at the 2025 Grand American.

The five highest scoring resident shooters in the PA State Singles Championship attending the Grand American and competing in the Clay Target Championship will comprise the PA State Team and compete in the State Team Race in conjunction with that event. The participating team members will each receive \$50 from the PSSA. In the event of ties, the team members shall be selected by the PA ATA Delegate from those eligible shooters who are tied. The selection shall be based primarily upon consideration of the shooter's prior record in tournaments as well as the shooter's average for this year and last year.

Entries must be returned to the ATA by your State Delegate no later than 9:00 a.m. on Wednesday of Grand American Week. Please let your delegate know your squad and position prior to 4:00 p.m. on Tuesday of Grand American Week.

HALL OF FAME INDUCTIONS/TRAPSHOOTER OF THE YEAR/ STATE TEAM

Induction of Hall of Fame Honorees, as well as Trapshooter of the Year recognition and the presentation of pins to the members of the PSSA State Teams will be held on Championship Saturday, immediately following Event 20.

Any PA resident who is a member of the ATA may submit nominations for the Hall of Fame or Trapshooter of the Year to the PSSA Hall of Fame Board. Submissions must be made by November 15 following the target year end, to:

Pam Darroch, President, PSSA Hall of Fame
2107 Forge Drive
Aliquippa, PA 15001
Email: darroch2107@comcast.net

Hall of Fame inductees may be selected for their ability in the sport of trapshooting and/or their contribution to the sport.

Nomination qualifications for both are available on the PSSA website or by contacting our Historian, Bob Koeffer.

MISSED SQUADS – EVENTS

Individual shooters will not be paged during any event. Shoot management will keep the electronic ready board sufficiently ahead to give all shooters ample time to be at their assigned starting traps. Line personnel will be instructed to start each squad immediately upon the completion of the prior squad, without waiting for any individual shooter. Any shooter who is late for a sub-event will have to make it up at the practice trap, or where designated by shoot management.

If a shooter missed a sub-event, he or she should make every effort to complete the remaining sub-events with the squad and then REPORT TO THE PRACTICE TRAPS for instructions to make up the missed sub-event. DO NOT TAKE THE SCORESHEET TO THE PRACTICE TRAP. SHOOTERS MISSING MORE THAN FIFTY TARGETS MUST BE RE-SQUADED AND WILL INCUR A \$10.00 PENALTY.

PSSA ANNUAL MEETING

The Annual Meeting of the PSSA will take place on Friday, June 13 at 8:00 a.m.

- Credentials of all club delegates, on forms supplied by the PSSA, must be returned to the Secretary prior to June 1, 2025.

All questions should be submitted, in advance, to the PSSA President so the PSSA has the opportunity to respond in an adequate and accurate fashion.

REDUCED PRICE FOR JUNIORS & SUB-JUNIORS

PSSA will deduct \$13.00 off all target prices for juniors and sub-juniors who choose to forfeit the right to play options. PSSA is committed to helping our sport by encouraging young shooters to participate but will not subsidize the playing of options. Shooters electing for reduced price targets are still eligible for the Krieghoff Challenge.

THIS DECLARATION MUST BE MADE AT THE TIME OF THE INITIAL CLASSIFICATION AND IS IRREVOCABLE FOR THE DURATION OF THE SHOOT. THIS DECLARATION WILL ALSO BE BINDING FROM THE COLONIAL CLASSIC THROUGH THE PA STATE SHOOT.

For example:

1. If you choose to play options in the first event you enter, you are not eligible for reduced price targets for the remainder of the shoot.
2. If you choose reduced price targets in your first event, that choice is binding on all events and you may not play any options for the remainder of the shoot.

SCORES AND SCORING PROCEDURES

Scores will be posted on the scoreboard located on the front porch of the PSSA Entry Building. Shooters are reminded to check their scores and notify shoot management immediately if a discrepancy is noticed.

Scoring Errors: Management will not be responsible for errors in scores after the options have been posted.

- **FOR OPTION CALCULATION PURPOSES, SCORES BECOME FINAL ½ HOUR AFTER THE FINAL SCORESHEET FOR THE EVENT IS POSTED.**

SHELLS

- Vendors **WILL** be permitted to sell ammunition. All hours of operation will be at the discretion of the vendor. **Shell purchases are not compulsory.**

SHOOT-OFFS

Handicap: at the conclusion of that day's last event if weather permits.

Singles and Doubles: All shoots EXCEPT the PA State Shoot

- Singles and Doubles events will be carried over to the next like event in that tournament.
- Shoot-Offs for the final Singles and Doubles event, and all remaining ties, will be held following the final event of the day on which that event occurs.
 - **Singles and Doubles: State Shoot**
Singles event ties in events 8, 10, 13 and 16 will be decided by carry-over through the next like event. Event 20, and remaining ties, will be shot off at the conclusion of event 20.

SPECIAL CATEGORY DECLARATIONS

Special category will be in accordance with the ATA rulebook Section IV, Rule K and L.

Special category changes will be permitted between the Colonial Classic and the PA State Shoot; however, the change must be declared before cashiering for any events in the PA State Shoot.

- **This allowance will not be permitted for Sub-Junior or Junior shooters, their selection will be binding from the Colonial Classic to the PA State Shoot.**

SQUADDING

A shooter will only be allowed to request one position per event per ATA number.

Shooters desiring to request more than one position per event must have the plastic ATA card(s) for each of the prospective squad mate(s) and the squad mate(s) may not have already reserved a position in the event.

Squads will be rotated per random draw done the night prior to the start of the day's events. After the starting positions are drawn, all squadding will be done on a first available basis. Shooters will not be able to choose the banks that they will shoot. Any abuse of returning and redrawing squads may subject violators to having squadding privileges suspended.

Shoot management will make every attempt to provide sufficient banks and flights to meet the needs of the anticipated number of shooters. Shoot management may limit the number of squads/flights for each event as conditions may warrant.

Squads for all events are available on a first come – first served basis.

In order to keep the shoots running in an efficient manner, new flights will not be added until the flights currently opened are sufficiently filled.

Please pull only the squad tickets you anticipate filling and relinquish unwanted positions as early as possible so that we have an opportunity to re-issue those positions.

TELEPHONE

There is a telephone in the PSSA office where you can be reached, if necessitated by an emergency at home. The number is (570) 672-9747. This phone is not available for outgoing calls.

TROPHIES

The current rules of the ATA apply to all PSSA sponsored tournaments. **CATEGORY SHOOTERS and CHAIR SHOOTERS should pay special attention to the new ATA rules.** Please make every effort to pick up trophies while at the shoot. If trophies are not picked up after one year, they will be repurposed at PSSA discretion.

TV-RADIO

On-deck squads as well as leading scores will be broadcast over the TV monitors throughout the PSSA main building. These will also be broadcast over channel 19 on your TV. Additionally, on-deck squads will be broadcast via FM radio channel 89.3.

VENDORS

Vendors will be charged a fee for each shoot. Prior permission and payment in advance, is required. All vendors will be required to show proof of liability insurance. Locations will be assigned by the PSSA.
